# YOUR WONDERFUL WEDDING

**We understand that your wedding is totally unique to you.**

**At ChangeKitchen CIC, we will work closely with you to provide the very best catering experience that's everything you want for you and your chosen guests.**

We're happy to be flexible and adapt to meet your wedding needs, from that special dish that means so much to you, right through to creating a wedding cocktail just for you.

Using beautiful vintage crockery, sparkling glassware, shiny (real) cutlery or environmentally sustainable bamboo options.

It's your wedding, and we're here to make it extra special (and stress-free!).

**“Birgit stayed in touch throughout and helped us plan. Several guests said it was the best wedding food they’d ever had.**

**She and her team were more like friends.”**

**#CookingUpChange**

**To help you curate the wedding breakfast you dream of, we would love to offer you a free sample buffet for 4 people.**

We can chat with you first to discuss the menu choices you'd like to make.

Then we'll arrange for you to pop in and have a sit-down with our Wedding Catering Manager over a lovely artisan coffee in our Kindness Café.

With your final arrangements confirmed, you can then go away happy and excited for your 'Big Day'.

**Climate-friendly,  
and uniquely you!**

# OUR PURPOSE

**As an award-winning social enterprise, ChangeKitchen CIC commit profits to achieving our social purpose combined with an environmental conscience.**

This means we donate free homemade, plant-based, nutritious meals to those in need every time you book a catered event with us. We also deliver healthy eating workshops to community groups of all ages.

As 'caterers who care', environmentally friendly and ethically-based practices are embedded in all that we do - from crockery to packaging, food waste to buying local, being a Living Wage employer to open recruitment and providing a supportive, inclusive environment for our diverse and amazing team.

Thank you for being part of our social and food justice journey.
